Covid-19 Restart

As per government guidelines, we will adhere to all social distancing recommendations as well as following the government recommendations in place around hand sanitization, cleaning down equipment before and after use and maintaining the minimum of 1m distance (2m where we can ideally accommodate) for all participants.

Whilst the children are training, we will have a designated section where parents/carers will be expected to stand, maintaining the social distance recommendation of 1m (2m where possible), use hand sanitization and wear face coverings where recommended by the government. We are doing everything we can to uphold the safety of the children, parents and the coaches at this time. Ultimately, it is down to each individual to follow the guidelines.

Thank you for your co-operation in these difficult times.

Track and Trace
